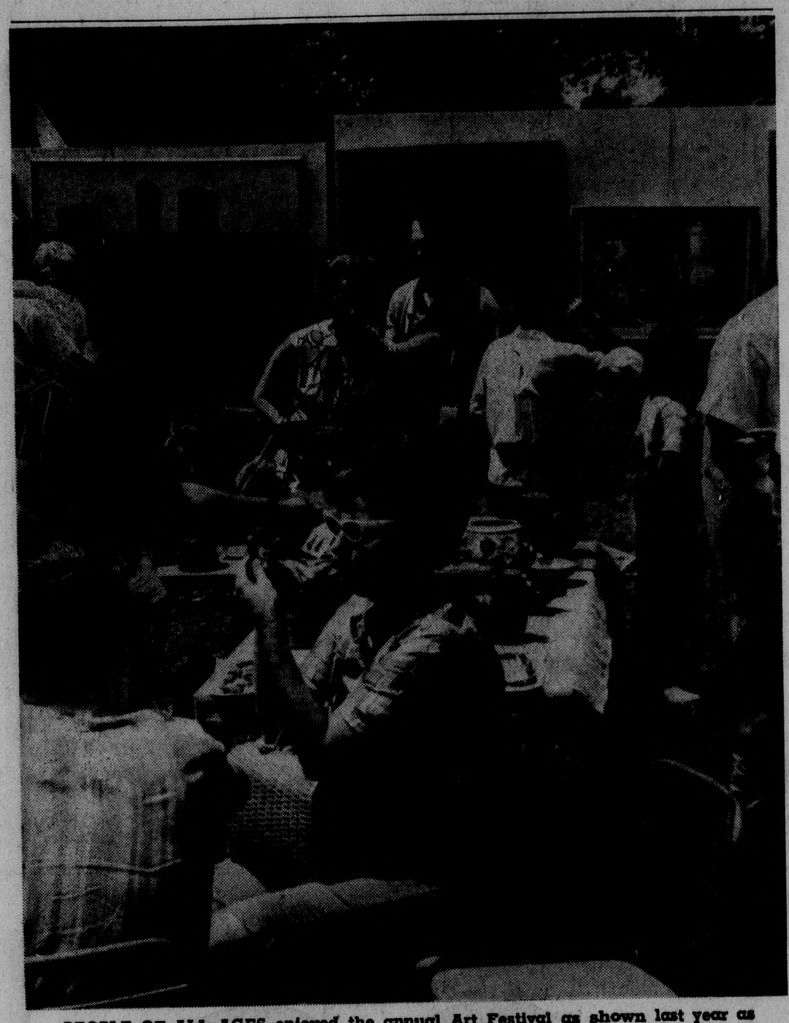
Clerk Form Of City Government Looms On Not To Distant Horizon



PEOPLE OF ALL AGES enjoyed the annual Art Festival as shown last year as they were grouped around the tables and easels admiring the many exhibits. This year's show has all the potentials of being the biggest yet and will be held this Saturday and Sunday, May 20 and 21.

City Wide Lighting District On Agenda May 23; Sewers On the Way

★ ★ ★ ★

Sierra Madre City Council met in adjourned session Monday night in an attempt to complete the agenda items not completed at the regular meeting of last Tuesday night.

Councilwoman Maddox made a motion that the City Clerk and City Treasurer be authorized to attend all "staff meeting" of the city; this was later amended to read "meeting of department heads" and this passed by a unanimous vote. She then made a motion to make the office of City Clerk a full time position with a salary of $4.50 per hour and stated there would be sufficient work to involve a full work week. This would require an expenditure of approximately $9,000 per year. This motion was withdrawn with action being set for the next meeting of the Council on May 23.

Mrs. Maddox summarized a lengthy report on the office of City Clerk and her desire to see a system of checks and balance maintained. Councilman Edmund Wagner stated that because monthly financial balance reports were not available that he had been mislead in voting for several items in the past and felt that this was one reason the city was now showing a large deficit on its ledgers.

Mayor King requested that the item be held over, as he felt there could be a duplication of expenses involved and did not feel he was in a position, at the present time to vote before he got more background information. Councilman Parks also requested an extension of time for study.

Mrs. Maddox also said she wondered if they had not violated the Brown Act as they had discussed the office of City Clerk in personnel session which is, by law, restricted to matters of personnel only.

Lengthy discussion was involved in the matter of the office of the city clerk with Noren Eaton, a member of the audience, presenting the tribute to Marie Warfel, present City Clerk and her father, who also served that

R. Lindberg Engineering Manager

ROY W. LINDBERG, new engineering manager, Power Circuit Breaker division (Los Angeles), I-T-E Circuit Breaker Company.

Roy W. Lindberg has been appointed engineering manager for the Power Circuit Breaker division (Los Angeles) of I-T-E Circuit Breaker Company, Philadelphia, Pa.

Lindberg replaces Earl B. Rietz who has joined the company's Corporate Engineering staff at Philadelphia.

Lindberg came to the division in 1959 as a development engineer, and served as supervisor of the Engineering department. In 1961 he became supervisor of manufacturing - engineering, and quality control in the manufacturing department. Since 1965 he has served as assistant engineering manager under Rietz.

A graduate of Queens University (Kingston, Ontario, Canada), where he earned his BSEE in 1951, Lindberg was a design engineer for Canadian General Electric Company for eight years prior to joining I-T-E.

He is married, the father of two children and makes his home in Sierra Madre.

Another New Store For Sierra Madre

Another new business opens its doors in Sierra Madre this week when Evelyn Tarzian, seven years resident of Upper Hastings opens her ready to wear store in the Wisteria Village.

Located in store location "H" La Boutique will feature Junior and young Miss dresses, accessories, sportswear and et cetra, and as Evelyn states "Prices that's cool, and styles that's hot." Drop in this week end and see the new arrivals, and wish this young lady success and business happiness in Sierra Madre.

Baseball Dinner Dance Sat., May 20

Preparations for the annual baseball dance on May 20 are almost complete. According to Barbara Tressen, dance chairman, the theme of the Base-ball this year is to be "Paris After Dark." The price of tickets per couple for the delightful evening of dinner and dancing are only $9.

The "ball" will be held again this year at the Foothill Center, 550 S. Second Ave., Arcadia, beginning at 7 p.m. Under the direction of Nan Carlton, the decor will include a fountain, flower carts, candlelight and checkered tablecloths. On the Parisian "Left-Bank" will be a display of the works of several local artists and through out the evening, artists will be sketching portraits.

Dinner will be served beginning at 8 p.m. after which Max Lawrence and the Tempos will furnish the music for dancing. Surprise entertainment will be featured and fabulous door prizes awarded. Liquid refreshments will be B.Y.O.B. with inexpensive set-ups provided at the dance. For tickets, please contact Joanne Anderson, 355-8194.

All proceeds from "Paris After Dark" will go to support the baseball program in Sierra Madre.

Clem Crouch Is Believer; Job Corps Will Do Trick

by BILL WARK

From their world full of bitterness, the young come seeking a cathedral of hope in the San Gabriel Mountains. They find it in the U.S. Forest Service, Job Corps Camp in Fenner Canyon.

The youths, ages 16 to 21, arrive from many states, out of school, out of work, out of hope, blocked from society by simple math and reading problems. A product of poverty and broken homes — they can be lifted from the lingering mist in which they have wandered so long? Clem Crounch, Deputy Forest Supervisor; Robert McDonald, center director; and Bill Clark, principal teacher, firmly believe so.

The Jobs Corps is engaged in a program of reclamation — reclamation of the Nation's most valuable and precious resource —its youth. In two years of operation, 176 boys have been graduated to the contractor-operated Urban Centers, a higher step in learning.

Of the corpsmen, 80 per cent have had no previous contact with a doctor or dentist; 40 per cent unable to read a simple sentence; more than half are from broken homes and all of

Pros & Cons Of School Bond Issue

A debate, resolved: "Taxes should be raised to repair Pasadena and Sierra Madre Schools," will be held Tuesday evening, May 23. Leaders of the Pasadena Unified School District have been asked to present affirmative arguments, with members of the Taxaction School affairs committee presenting negative arguments at the 7:45 p.m. meeting, scheduled at the Westside Room in the Bank of Pasadena, 362 W. Colorado Blvd.

The meeting, sponsored by Taxaction, Inc., welcomes the public to attend and participate. A prize will be presented to the home owner bringing the largest county and school tax bill.

Immediately following the 30 minute debate, a discussion will be held concerning

CONGRESSMAN GLEN LIPSCOMB (24th District) met with the Commander of the U.S. military forces in Vietnam, General Westmoreland, right, when he was in the United States for a brief visit recently. General Westmoreland addressed a joint session of Congress while he was in Washington, D.C. Following the address a group of Members of the House and Senate, including Lipscomb, met with General Westmoreland at the White House for further discussions and briefings on the Vietnam situation. Later that same day Congressman Lipscomb, as ranking minority member of the House Defense Appropriations Subcommittee, met privately with General Westmoreland along with Chairman George Mahon (D.-Tex.) of the House Defense Appropriations Subcommittee and Chairman Robert Sikes (D.-Fla.) of the House Military Construction Appropriations Subcommittee.

Rustic Cue Has Grand Opening

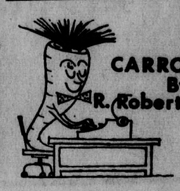
Rustic Cue, the Family Billiard Parlor at 37 West Sierra Madre has its Grand Opening this weekend and will extend its festivities until May 26.

Free corsages will be given all the ladies who visit the entertainment center during these days. One of the features of the grand opening will be the giving away each day absolutely free a personal cue stick valued at $25.

Also available during there days will be the "13th Hour Free" cards, which will entitle anyone filling the card to the 13-hour of playing absolutely free.

A billiard champion will be on hand at various hours during the opening to demonstrate the ability of a champion and give pointers on ball play.

Glenn Owens extends his personal invitation to all in the area to view his newest concept in family recreation.



CARROT TOP

R. Robert Evans

In case you have been having thoughts in this direction, here is a little news item that comes out of Washington, D.C.

—CT—

"Counterfeiting of U. S. currency reached an all-time high in 1966. Recovery of counterfeit money and arrests for counterfeiting were also at an all-time high. The Secret Service recovered $9-million in counterfeit currency last year. ONLY $900,000 of this amount ever was passed on to the public." . . . So you see, you have a 10% chance.

—CT—

Well, here is something that will certainly throw you for some hard thinking . . . The Delinquent Tax List is now being prepared by us for publication . . . we are told that it will be much larger this year due to those not being able to pay their taxes for the 1966-67 period.

—CT—

Now comes the time when the names are printed, so go over them carefully and find those who are sponsoring the School Bonds and other tax expenditures and find if they were able to pay THEIR tax bill for the past year, to say nothing about the years ahead.

—CT—

Truthfully, some of the biggest promoters of the 19-million-dollar bond issue for schools last year were on the delinquent tax list. . . . It sure takes a lot of pure old guts to write a "letter to the editor" complaining about his stand on the issue, while they know they didn't pay their share of the past year. . . . Oh, well, that's the way some people are . . . so why worry?

—CT—

Anyway, as we see it, there will be well over a thousand names of those who were unable to beg, borrow, steal, earn or accumulate the necessary property tax money to keep their name off the list . . . a good many of them I really am concerned about, they just can't help themselves . . . the others . . . Foo!

—CT—

Now we have the R-C Model Shop and the Family Billiard Parlor open and running, we have selected a new Fire Marshal and a City Engineer, and are currently working on a new Ladies' Ready-to-Wear Shop and a Chief of Police.

—CT—

First thing you know, we will have everything back in first class shape and be ready for the City Election next April . . . This one should be a real donnybrook . . . wait and see.

—CT—

We now have the baseball season off and running. It was quite a job of prevarication that was experienced on the Opening Day . . . Do hope that the young boys who are taught "Sportsmanship, "Fair Play" and truthfulness in life don't catch on to what happened. . . Some of them are scratching their little heads trying to figure it out. . . . Quite a deal . . . ask around and you will hear about it.

—CT—

While we are doing guessing games . . . who was the

them from families (many of them large) with incomes under $4,000 a year.

When the Job Corps Center first started, some judges used them for juvenile delinquent cases. It was not only liable to give the Corps a bad name, but very unfair to the youths striving so hard to make a step up the ladder of life. It has been stopped.

The average corpsman is a gentle, clean-cut youth, but his eyes carry the tragic look of a boy lost in the new world, with its wider horizons, mightier aspirations, and vaster obligations. It is heart breaking.

From the time the boy arrives at the Fenner Canyon Camp, he is counseled repeatedly. A staff of 32 men including five teachers, work up to 12 hours a day, much of it on their own time to aid the youths. Emphasis is placed on reading and arithmetic, vocational skills, social development, and work attitudes. Every effort is made to bring a boy up to the 7.5 reading level.

First, textbooks contain such simple words as "dog," "cat," "run," and "glass." Painting, plumbing, cement work, and equipment operation are learned while doing valuable conservation projects. A savings to the taxpayer.

Cooks in the kitchen and auto mechanics in the small garage on the center. The boys receive $1 a day. $50 a month is sent home to their needy families. The average stay of the Corpsman is from 6 to 7 months, before being transferred to the Urban Center, but may be extended up to two years if the boy is slowly progressing.

The people from the close-by desert towns of Pearblossom, Little Rock, Lancaster and Palmdale know the Camp, and the urgency of its program. They have met the staff and boys and have gone all out to cooperate. They love it. Church groups have donated many items to the Center. The Palmdale School has opened tis swimming pool to the corpsmen, every Tuesday night. Families invite the boys down to Sunday dinners, a far cry from the cruel image printed in "True" and "Readers Digest" magazines.

John Henry Joseph Logan, Jr., 17, who says he never had a friend until he entered the Center, simply states, "All I want in life is to be able to hold a job and be respected."

The cost of maintaining an individual on welfare over a lifetime is $100,000. but this is not the only cost to sustain. The fact that he contributes little or nothing to the gross national product or to effective consumer demands is likewise a loss. The Job Corps is one of the most important programs in our country today.

Clem Crouch, of the U. S. Forest Service, who picked the Center's beautiful location at the 5,500 ft. level in Fenner Canyon, puts it plainly, "After all, they are God's children." It's so true.

Thomas McFarland Gregory Jr. Weds Sharon Kathleen Lord At Ascension

MRS. THOMAS M. GREGORY, JR.
. . . nee Sharon K. Lord

Sharon Kathleen Lord became the bride of Thomas McFarland Gregory, Jr., April 8, at the Church of the Ascension in Sierra Madre. The Rev. Harley Gibbs Smith, Jr., officiated over the afternoon ceremony.

The bride is the daughter of Mr. and Mrs. Otho G. Lord of 2135 La Lunas St. The bridegroom is the son of Mr. and Mrs. Thomas McFarland Gregory, Sr., of 1135 Riviera Drive. They both graduated from Pasadena City College.

Donned in a gown of organza, embroidered with flowers of venise lace and crystal, sheer train, finger tip veil of silk, the bride carried a bouquet of cymbidiums and stephanotis.

Mrs. Robret D. Manning, formerly Suzanne Lord, was the matron of honor. Patricia Bartlett and Anne Gregory were bridesmaids, and Susan L. Manning was the junior bridesmaid. Theresa Lynn Manning was the bride's flower girl. They wore yellow organza gowns with matching hats; daisies and daffodils madeup their bouquets.

David Carrol as the bridegroom's best man. William Stratton and Ashford W. Todd, III, were the ushers.

A reception at the home of the bride's parents followed the ceremony.

After honeymooning in San Diego, the newlyweds made their home in Idaho Falls, Idaho, where Mr. Gregory is being employed at the Nuclear Power Training Unit.

SYcamore 7-9634

When I was a girl the women would primp for their men folks by "rolling" their hair on kid curlers about the size of a string bean. She did this after the children were in school and before his own self came home for the evening meal. By that time her hair would be in tight waves and curls all over her head.

She might have been the rag curler user which simply amounted to rolling your hair in rags and tieing them till they were done. Or, she might have been ultra modern and had a marcel. Now that was really something. You almost had to perform this scared rite in the kitchen because you had to warm the iron on the gas jet. You heated it up, and as I recall you had to spit on it to see if it sizzled just right. Then you waived it in the air with a bit clicking back and forth.

By this time you were ready to apply it to the tresses. There were two styles to be accomplished with savage rite. You could have deep waves like a restless ocean or you could have little pig sausages all over your head. There was always a slight aroma of singed hair that whispered around the head of these beauties. The element of risk was extremely high if you weren't real careful with your spitting and listening. Many a gals ended up involuntarily with short bobs cause they just plain burned it of.

But now, thank goodness we are modernized. No more kid curlers, no more rags, and no more curling irons. Now we have fancy rollers. We have them with brushes, we have them that you boil in water and then we have orange juice cans, and believe it or not I saw a gal sashaying down the avenue in an outfit that would put the ancient Indian warriors to shame. Her head was completely covered with Campbell soup cans and she had all the self assurance and security of a woman stepping out in mink from the beauty parlor.

I overheard a couple of young frills talking the other day and they admitted to each other that they always put their hair up before they went out — they'd feel "ab-so-lute-ly naaaked" without their rollers.

They've gone about as fur as they can go. I predict that the next move will be for gals to cut their hair and wear it straight and the lads to be rolling their tresses. Nausiating, but probable — enjoy those girls while you may!

Hjordis Kittel Parker, Sierra Madrean, world traveler and lecturer, will be the honored guest and speaker at the Sierra Madre Friends of the Library annual dinner on Wednesday, May 24, at 7 p.m., in Sierra Madre School Cafetorium.

Mrs. Parker will show and narrate a reel of her color film, "Look to Finland," which uses the forests of Finland at its theme. The particular sequence which Mrs. Parker will narrate depicts the life of a family in Melsinki and their family in tivities, Finnish literature, including the epic poem, "Kalavala," education and music.

"Look to Finland" has earned a decoration from the Finnish government for Mrs. Parker and a command performance before President Uhre Kekkonen, his family, members of the diplomatic corps, and all the participants in the film.

Reservations for the dinner may be made with Mrs. Daniel Cox, 355-7211, or Mrs. Aurel Albu, 355-9983.

PTA Has Fact And Quiz Session At Sierra Mesa

What will Sierra Madre gain from the proposed school bond issue? What will it cost me?

Answers to these questions will be featured in a fact-quiz session at the Parent-Teacher Association meeting Monday, May 20, at 7:30 p.m. at Sierra Mesa School.

Panel members are the Citizens' Committee to Study Current School Problems, appointed under the auspices of the PTA to find answers to questions relating to the school bond issue. Four or five questions which have been of most concern to voters will be highlighted before the committee answers questions from the audience.

While this presentation is part of the regular PTA meeting, all persons who would like to acquaint themselves more fully with the facts involved in the coming bond election are urged to attend.

GRANDMA . . . NOW AND THEN!

A couple of weeks ago our "Mr. Carrot Top" spoke about the medicines that his Grandmother used to make and use. Well, we still have lots of Grandmothers (and Mothers, too) who use a lot of these old fashioned remedies, but completely MODERNIZED.

About 2000 years ago the Chinese started using an herb called "Ma Huang' for stuffy noses and all sorts of allergies, now we have the active ingredient, Efedrine which we use for the same conditions. Since it is assayable we always know exactly what it's strength is, and how to regulate the dosage of the material. In former times (even when I was in the University) we had to depend on many "crude drugs" of widely varying strength . . . so we couldn't always get consistent results. That day is now past . . . . RELIABILITY and CONSISTENCY are the order of the day.

Many other of the older remedies of Grandmother's time are still used, such as Digitoxin from the Foxglove plant . . . Quinine and Quinidine from the Circhona Tree . . . . Podophyllin from the Mandrake Root . . . Menthol from the Peppermint Herb . . . and so on for a very extensive list.

We at Hartman Pharmacy are proud to be a part of the Health team. We solicit your inquiries in Pharmaceutical matters and we are happy to serve you and your family and friends in their health needs. See us soon.

RELAXING in the palm-fringed gardens of the Sheraton-British Colonial Hotel, Nassau, are Mr. and Mrs. J. B. Andrews of 410 N. Michillinda. Mr. Andrews is the vice-president of the Sherman Division of St. Regis Paper Company in Los Angeles. St. Regis, the third largest paper company in the world, was holding a Distributor Advisory Committee Meeting in the quaint Bahamian capital, which attracted company representatives from all over the United States.

Shakespeares In Session

The Shakespeare Club president, Mrs. James C. Chambers presiding there will be a noon luncheon on Tuesday, May 23. The feature will be, "Fun With Annual Reports," by the board of directors, in skits, rhymes and gaiety.

At 1:45 p.m. Mrs. James will present her annual report. Dr. Roy McKeown, nationally acclaimed speaker, correspondent and authority on world affairs will bring his message from his recent travels, "It's Fun — Twentieth Century Excitement." Presented by the Current Events Department, Mrs. J. G. Servais, director.

At 11 a.m. Thursday, May 25, the Philanthropy Department Sports Section meets at the home of Mrs. George C. Bless, 1425 Pasqualito Dr., San Marino. Luncheon hostess Mrs. John S. Davidson. Reservations, Mrs. William F. Hibbard, 792-0169; golf, Mrs. George B. Pace, 790-2189; bowling, Mrs. Thomas Remy, 799-8238; swimming, Mrs. Edward Mitluski, 796-2137; tennis, Mrs. Gladyn Roper ,797-2491. Mrs. Ben R. Smith is chairman and Mrs. A. J. Frederick, director.

Friday, May 26, at 2 p.m. the Piano Study Group will meet in Stratford House. The Interpretation hour will feature a talk on "Improvising At the Piano." Ensemble piano playing and creative writing will follow. This is the last meeting of the year. It is hoped to see all the club's musicians and a welcome is extended to all who are interested in music. Mrs. George Burks Goodlander is chairman.

VFW Loyalty Day Held At Citrus

Veterans of Foreign Wars of the Sitxh District held their annual Lolty Day at Citrus Junior College this year. They celebrated this patriot day on Saturday, April 29.

Ceremonies began with music by Pacific Bible College Band and a parade of drill teams from the posts in the district. After their very impressive march, opening speeches were given.

Entertainment was furnished by a Sierra Madre band that call themselves the "Seal of Approval." Members are four talented, young men: Greg Patterson, Tom Goodall, Tom Gentry and George Weiss.

Louis Van Iersel, a Congressional Medal of Honor holder and a citizen of Sierra Madre was one of the honored guests. Mr. Van Iersel was awarded the nation's highest medal for his service to his country during World War I; he also served in World War II.

Despite the chilly winds and oncoming evening cold, the ceremonies went beautifully and were enjoyed by all present.

Letters to the Editor

Dear Editor:

How strange! Our nation is smart enough to scrape the moon but just doesn't seem to be able to take the stink out of motor fuel, so say the Bright Boys, produces 90 per cent of this death-dealing smog. And how about water pollution? And the ever-increasing screech and scream of the noise level?

According to recent predictions, if these conditions are not abated within 100 years this civilization could cease to exist. Maybe it's time we were finding another planet to jump onto. But millions might die and only a few be fortunate enough to land on that mythical planet. Perhaps after thousands of years, when this planet may again be fresh and beautiful, it will be rediscovered.

What fun for the ethnographers and archaeologists! Just imagine they have made a discovery, deep down in what was once a salt mine . . . in a storage vault . . . remarkably well preserved . . . One professor might say: "What a pity. There is evidence of a civilization. Brilliant . . . But why did they commit mass suicide by pumping tons of carbon monoxid,e hydrocarbons, and nitrogen oxides into the atmosphere . . .? And these combined with other elements in the sunlight . . . could cause . . . Well, it was fatal."

"And," said another professor, "the queerest thing about these odd historic peoples . . . there is proof they went around with little sticks of fire in their mouths. Little pieces of paper wrapped around a narcotic they called 'tobacco.' This also contributed to many deaths, fires, loss of property. And can you, imagine how stupid? Some of them went to sleep with these little sticks of fire. Even people who did not indulge in this habit were burned to death because of such oafish conduct of others. And the awful diseases they had . . . cancer, emphasema, cardiac attacks. Most of them died young. Few lived to be even a hundred."

A third professor, whose specialty could be the study of prehistoric crime . . . . Hm, Hm . . . Now see here, can you believe it! While most of the people were honest, really kind and benevolent, there were those among them who were thieves, murderers, rapists, child molestors . . . And the awful highway slaughter . . . . And the terrible wars."

"And," they all exclaimed, "We must delineate it the AGE OF HORROR!"

—LILLIAN B. SAGE

Red Cross Annual Dinner-Meeting At Woman's Club

The Sierra Madre Red Cross organization will hold its annual membership meeting and dinner at the Woman's Club on Monday evening, June 5, according to Mrs. Richard Law, Sierra Madre Red Cross chairman.

Dinner will be served at 6:30 o'clock, at $2.50 per plate, Mrs. Law stated. Reservations will ge required, of course, in order to enable the dinner committee to provide an adequate quantity of food. To make reservations, call Mrs. Law, 355-9649, before Friday, June 2.

Following the dinner the annual meeting will be convened, Mrs. Law said, for the purpose of reporting on activities during the past year and electing directors and officers for the new year commencing July 1.

All Red Cross members are urged to attend, and Mrs. Law explained that everyone who has rendered volunteer services in the various Red Cross activities or who has continued services or money to the United Crusade is automatically a member of Red Cross. That includes just about everybody — but it was pointed out that this meeting also is open to the public and all are invited. So, y'all come!

Mr. and Mrs. Merriall Nash of 1000 W. Orange Grove were blessed with a baby son. Their boy was born on May 3 at the Arcadia Methodist Hospital.

Lighting Districts

Councilwoman Maddox requested that action be taken at the next Council meeting to implement a city-wide lighting district, when it was disclosed that the master lighting plan to be presented by the Edison Company would be ready by the next meeting. She asked that residents be notified that this matter will be on the agenda.

Council also passed the necessary resolutions that permitted the advertisement of bids for Sewer Districts 87, 89 and 90, and this adveretisements will be found on another page of this issue of the Sierra Madre News. Bids will be opeend on June 8 and presented to the Council for their action on June 13. Work should begin 30 days later and the work completed prior to the next rainy season.

In questioning the action of the Planning Commission in permitting a lot split in the Liliano Tract without a geology report being filed, City Engineer Adams stated that the County Engineering department had filed a report for the site of their proposed fire station which abutes the property involved and that a complete soil test is required before founda-

FIRST-PRIZE WINNERS in UCLA's Campbell Book Collection Competition display books from their winning collections to the contest's sponsor Robert B. Campbell (center), Westwood Village book dealer. Robert A. Nash (left) is a graduate student from Sierra Madre. Randal Alan Kirsch, son of Los Angeles Times book editor Robert Kirsch, lives at 13023 Sunset Blvd., Los Angeles.

Robert A. Nash Receives Campbell Book Award

Books on the astrolabe and tales of fantasy have won for their collectors the two first prizes in the 19th annual Robert B. Campbell Student Book Collection Competition at UCLA.

Competition chairman Evert Volkersz reported that this year's prizes totalled $500.

First-prize winner among graduates was Robert A. Nash, of Sierra Madre, a student in geography, for his collection, "The Astrolabe." He received $125 in books from the Friends of the UCLA Library, which donated all the prizes for graduate students.

First-prize winner among undergraduates was Randal Alan Kirsch, a sophomore in African studies, for his entry, "The Works of Howard Phillips Lovecraft (1890-1937."

He received $125 in books from the contest's sponsor, Robert B. Campbell, Westwood Village book dealer.

Thirty-seven students submitted 50 collections to the competition. After preliminary judging, 8 undergraduates and 17 graduate collections were left for final judging.

Nash declared that the astrolabe has exerted a hold on men's imaginations since ancient times, frequently arousing poetic enthusiasm. He said it has often been called by names such as "Incomparable Instrument" or "Mathematical Jewell."

Nash's prize-winning collection includes original works and reprints on the construction and use of the astrolabe, some of the mathematical tables required for use of the instrument and most of the modern commentary on the history of the instrument and its makers.

Dessert

The San Gabriel Valley Club of Alpha Gamma Delto will have Dianna Vance, fashion coordinator, discuss, "Color and You," at their dessert meeting Thursday, May 18. Hostess for the evening will be Mrs. Kenneth Glessner, 912 Panorama Drive, Arcadia with Mrs. Donald Valentine assisting.

Competitive Swim Classes Begin May 20 To 25

Youngsters intending to join the Sierra Madre Swim Team this summer can look forward to some free lessons during the week from May 20 to May 25.

Sierra Madre Swim Club Boosters, Inc., has announced that a series of competitive swim classes will be held at the municipal pool during the week prior to try-outs for the team which are scheduled for the mornings of May 27 and 28.

The classes, conducted by Head Coach Roger Keith, will be held on the following dates:

Saturday, May 20, 9 a.m. to noon; Monday May, 22, 4:30 to 6 p.m.; Wednesday, May 24, 4:30 to 6 p.m. and Thursday, May 25, 4:30 to 6 p.m.

Youngsters from five to 17 years old who intend to join swim team are eligible for these four free classes.

The sponsoring Swim Club Boosters and Team Manager Chuck Knickelbein request that swimmers be at the pool at 8:45 a.m. on Saturday, May 20, to sign up and start the classes.

Any further information may be obtained by writing to: Sierra Madre Swim Club Boosters, Inc., P.O. Box 744, Sierra Madre.

Chamber of Commerce Plans For Summer Announced

Sierra Madre's Chamber of Commerce met for their regular monthly meeting on May 2. The meeting convened at 8 a.m. by President Doug Delahooke.

Members present were: Jim Burke, Ben Wightman, Jerry Asher, Robert Green, Ralph Hurwit, Jerry Lipes, Jeanne McGee, Jack Meade, Lola Rudbach, William Sullivan, Jim Wolfe and Wayne Woodruff.

Dottie Underwood, secretary, introduced the guests and read the minutes of the previous meeting, and made the necessary corrections.

Ben Wightman gave the treasurer's report. A motion was made, seconded and approved by the assembly to pay the bills.

Correspondence was read from Village Ice Cream Parlor, Ice Cream Rendezvous and former Chief of Police, Jim Bale. Award of Merit, from Supervisor Warren Dorn was presented to the Chamber for their service to the community.

Gordon Baker Lloyd's newsletter "Sierra Madre on the Grow" was shown to the directors.

Frank Green offered the suggestion that the Chamber initiate a program called "Drumming Up Business." Drummers would be invited to play on city parking lots (possibly at the First Western Bank) and provide music and dancing for the young people. Then the merchants could tie this into a sales promotion and parents could shop while the young people are being entertained.

Bill Sullivan offered to donate the proceeds of pop to the Little League. An organ company offered to furnish an organ and a perpetual trophy. Another company offered their electronic equipment for electrical instruments.

Fourth of July Parade was discussed before the introduction of John Welsh

Plant the Seed

where you expect to Reap

IT'S what you might call a commonly recognized agricultural principle that if you want to do your harvesting on a particular piece of ground, that's the place to sow your seed.

✔ Using the same general type of reasoning, it is obvious that if you want to harvest a nice crop of prosperity . . . in the form of better business, a better job, a better community in which to live . . . it's advisable to plant your trade dollars where they will produce growth for you, rather than for somebody else.

✔ The homes we live in . . . the jobs and businesses which support us . . . the schools and churches that teach our children and enrich our lives . . . the convenient stores and service establishments that supply our everyday and emergency needs . . . none of these were built, nor are they supported by the dollars that are spent in some other community or city.

It Pays to Buy Where You Live

S. R. Brock Awarded M.A.I. Designation By Council

S. R. Brock, a real estate appariser in this area, was awarded the M.A.I. designation by the governing council of the American Institute of Real Estate Appraisers at its spring meeting in Chicago May 8. This designation automatically admits Mr. Brock to membership in the Institute. Just over 4,100 appraisers have qualiifed for this designation since the Institute was founded in 1932.

To receive the M.A.I. designation Mr. Brock had to demonstrate that he had at least five years' full-time appraising experience. He also had to submit at least three acceptable fee appraisal reports that were graded by the Institute, had to pass a minimum of two technical examinations, and had to have the recommendation of appraisers familiar with his work and professional integrity.

The Appraisal Institute is the nation's oldest and largest organization of professional appraisers qualified to value all types of real property, and is the only appraisal organization affiliated with the National Association of Real Estate Boards.

In addition to establishing accredition standards and its rigidly enforced Code of Ethics and Standards of Professional Conduct, the Institute has won national recognition for its work in the field of real estate education. Each year it offers its case-study courses in cooperation with leading colleges and universities.

Mr. Brock resides in Sierra Madre and maintains offices in Pasadena. In addition to an affiliate membership in the Arcadia Board of Realtors, he is an SRA Member of the Society of Real Estate Appraisers and a member of The American Right of Way Association. The holder of an LLB degree, Mr. Brock is married and has two children.

Republican Women's Club Has Annual Membership Tea At Farrar Estate

Professional entertainment, "Women in Government" as forecast by a well qualified speaker, a fashion show and refreshments will be featured at the annual membership tea given by the Arcadia Republican Women's Club, Wednesday, May 24, from 1 to 3 p.m.

The setting will again be the gardens of Mrs. William Farrar, 1311 Rodeo Road, Arcadia. Mrs. Farrar, a charter member of the club which was organized in June of 1954, with Mrs. David Mills as first president, has served on the executive board in various capacities. Republican sponsored events including organizational meetings, large parties featuring fashion shows, Mexican Fiestas and dancing have been held at the Farrar Estate.

Miss Janet Green, young dynamic recording artist, will occupy the stellar role as entertainer. She has carved an unique niche in the world of folk music, for unlike any other folk singer of repute, she has attached herself to the cause of anti-communism and is nationally known as a folk singing troubadour, singing the words she composes to the accompaniment of her guitar.

Miss Green, who formerly appeared on television in Columbus, Ohio, now resides in Long Beach. She is associated with Dr. Fred Schwarz in his anti-communism crusades and also appears in many large Republican events.

Mayor Norma Yocum of Alhambra will be presented as guest speaker by Mrs. Luther Watkins, program chairman. Mrs. Yocum, no newcomer to politics, has served on the Alhambra City Council since 1955 and is serving her third term as mayor. Mrs. Yocum, who believes in "political restraint, education — al excelence and economic incentive," has served in an executive capacity on the Alhambra Coordinating Council, Los Angeles County Federation of Youth Council, California Library Trustees Association, Alhambra Historical Society and the San Gabriel Valley Council of Church Women. She has been honored by the Quota Club, Business and Professional Women, B'nai Brith, Civitan Club and Junior Chamber of Commerce.

She has had the honor of having been selected "Mother of the Year" by the Los Angeles Downtown Business Men's Association.

Home made cookies, from the club's "Country Store," new jewelry items and American Flags will be on sale.

Mrs. O. C. Porter urges the importance of early reservations. She may be reached at 1212 N. Santa Anita, Arcadia, 447-5418. Further information may be secured from Mrs. Douglas Moline, in charge of the party, 355-0570.

Mrs. R. Poppa, club president, suggests that the tea presents an "excellent opportunity to introduce friends and neighbors to the club — its aims and accomplishments."

Humans and chickens seem to do best when they have to scratch for what they get.

If you happen to notice a happy smile on the face of Mrs. Leonard (Marie) Nurmi these days it is due to the fact that she has just become a grandmother.

Her son and daughter-in-law, Mr. and Mrs. Ronald Stoddard of San Diego, became the parents of a 7 lb. nine ounce baby boy in the Grossmount Hospital in La Mesa on May 10th. They have named him Chad Christian Stoddard. This young man is a real special event because he is the start of the fifth living generation on the family tree. Marie's mother is Mrs. Grace Sparks of Pasadena, and her grandmother is Mrs. Stella Phelps, also of this city.

Talked to Mrs. Art Brearley the other day. She told me that David is now stationed in Viet Nam. He wrote her, as so many of our young servicemen have done, that the thing that means more than anything in the world to him are letters from friends and family at home. For those with a minute to spare you can reach him by addressing your letter to PN3 - David Brearley, U.S.A. Noxubee (AOG 56), F.P.O. San Francisco, 96601.

David was such a good friend to so many people on the hill, and remember too, when he used to write a column for Sierra Madre News? Let's bombard him with mail from home.

"The best laid plans of mice and men oft times go astray." If you don't believe me just ask the Walter Dorns.

Way last fall Madeline knocked herself out entering their show window in a contest for Swiss watches. In due time they were informed that the store had won first place and a trip to Mexico for two. After months of planning, writing back and forth, and even extending their trip, the golden moment finally arrived when they departed for better than two weeks south of the border.

They arrived in Acapulco full of spirit and ready to roll. Almost immediately on their arrival Walter became sick with an ear infection. Brave, as he assured me he was, it did dampen the excitement a good deal. He managed to survive till they got to Mexico City, and after one day of wandering around they both decided that their Pasadena home was just about the best place in the world to be.

I asked Walter if they did a lot of shopping while they were there. He assured me he had enongh in one day but Madeline is still going around moaning about all of the things she intended to buy and just never had a chance. Better luck next time!

Vincent and Marilyn Vane of 121 E. Binita have provided to the growing population of children in their neighborhood. Mr. Vane says the neibhborhood has approximately 43 children living there already! Mary Sarah Anne Vane is the latest addition to the Vane family circle. She arrived May 6 at 3:13 p.m. at the Arcadia Methodist Hospital. She weighed 6 pounds and 10 ounces and was 19 inches long. She is following three brothers, Terry 11; Cullen, 8, and Chris, 4, and two sisters, List, 6, and Jenny 2.

'May Flowers' Half-Price Sale At Thrift Store

A "May Flower" half-price sale will be held by the Retarded Children's Thrift Store on Saturday, May 20 from 9 a.m. to 7 p.m.

Located at 10950 Garvey Blvd., El Monte, of which Mr. Maynard Hazelton is manager, the store is operated by Retarded Children's Association of San Gabriel Valley, a parents' non-profit association. The store is the chief means of fund-raising for the association which has four daily training classes in this area for children who are not eligible to attend public schools. Ages of children accepted are 2½ to 18.

New address and telephone number of the association is 529 S. Second St., Suite C, Covina, 332-9517.

Covina class is located at 1307 Ranger Drive, La Puente class at 728 N. Orange, Monrovia class, at 140 South Fifth, and the San Gabriel class at 600 E. Grand ave.

Retarded children can be helped. You can extend a helping hand by donating usable discards of furniture, refrigerators, stoves, televisions, appliances, clothing, shoes, rugs, bedding, books, toys, bikes, housewares, pots, pans, nic-nacks, etc. Call 443-3041 for free pick-up.

Pasa Hospital Auxiliary Plans Fashion Show

"Lollipops and Roses" is the theme of the summer fashion show being planned by the ladies auxiliary of the Pasadena Community Hospital.

The event will take place on June 2nd at the Stuart Pharmaceutical Building in Pasadena. The fashion show will begin at 8:30 p.m. with a hospitality hour beginning at 7:30 p.m. There will also be music and refreshments.

Chairman of the event is Mrs. Charles Washington. Various committee heads include Mrs. Duane Alt, Mrs. Steve Hemela, Mrs. Thomas Brennan, Mrs. Arthur Bockstahler, Mrs. Dorothy Kimmel, Mrs. Mary Ann Baur and Mrs. Margaret Bana. Mr. Kenneth Lowe, hospital administrator, is supervising the preparations.

Proceeds will go towards the addition of an intensive care unit to the hospital.

For reservations, call 798-7811, extension 2.

'Support Our Sérvicemen Week' May 29 To June 4

"Support Our Servicemen Week," May 29 to June 4, will be sponsored by the VIVID Committee (Victory in Vietnam Instead of Defeat). Mr. John Curtis and Mr. Robert Hatfield are co-chairmen of the committee which was formed by concerned patriotic citizens who feel that our servicemen deserve their fullest support.

Hoping to enlist the cooperation of local businessmen, VIVID has prepared a set of two window signs which may be purchased for $1 per set through VIVID, P.O. Box 623, Sierra Madre, 91024, or by calling 355-2252.

Veteran, fraternal, service clubs and civic organizations are also invited to take part in at least one part of VIVID'S objectives:

To insure that our local blood bank is kept well supplied for American servicemen in Vietnam and other areas of military service.

To request our respective churches to hold special services on Memorial Day for our servicemen.

To prepare a list of homes in which servicemen will be welcomed during the holiday seasons, especially Thanksgiving and Christmas.

To place collection baskets in as many establishments as will accept them, for the purpose of collecting books for our servicemen.

To prepare mailing lists of the G.I.'s desiring mail.

To aid, wherever and whenever possible, in finding and featuring speakers who favor military victory in Vietnam.

To awaken as many people as possible to the fact that we are at war with Communism.

To aid those college groups desiring our help in preparing a "Victory in Vietnam Teach-In."

To do everything possible to offset the bad effects of those groups and organizations within this country at this time giving aid and comfort to the enemy.

To place as many Support-Our-Servicemen Week posters in areas readily visible to the public as is possible (our goal is 500).

To do everything possible

TAKE YOUR PROBLEMS TO CHURCH THIS WEEK—
millions leave them there!

Alone in a Field

A man alone in a field . . . making the field ready for spring planting . . . perhaps is closer to God than he realizes.

The field didn't "just happen." The earth didn't "just happen." Those fruit trees, laden with blossoms, didn't choose to bloom just because they wanted to look pretty.

Stop and think about it. In the natural order of life, little is left to chance. There is a precision about the very rotation of the earth itself. There is a miracle embedded in each blade of grass.

All about us is the unmistakable evidence of Creation, by a Master Hand. The man in the field is, in some ways, closer to this creation than many of us, yet he too may very well be unaware of it. We can *all* capture or recapture this awareness by going to church regularly.

THE CHURCH FOR ALL
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

St. Rita's Group Spend Weekend At Mater Dolorosa

A group of 27 members of St. Rita's Parish, Sierra Madre, under the leadership of Captain Art Garceau, Sr., were among the 65 men of the Los Angeles Archdiocese making the closed retreat at Mater Dolorosa Retreat House of the Passionist Fathers recently.

The retreat known as "50 Golden Hours" opened last Friday night and closed late Sunday afternoon.

The Retreat House is located high in the hills above Sierra Madre and the Retreat marked the 1,721 retreat conducted since they were first started. During this time 93,786 men, Catholic and non-Catholic, have made these retreats.

Rev. Finan Storey, C.P., was retreat master and the men were welcomed by Rev. Damian McHale, C.P., retreat director and his assistant, Rev. Timothy O'Connor, C.P., who conducted many of the services during the time of the retreat.

Captain Garceau, Sr., reported a highly successful retreat.

Art Fair Ready

Howard Whalen, sculpture; Ellen Fergus and Joan Hill, ceramics; Peggy Norris Haubert, painted wood carvings; Don Benson, Robert Davis, Michael Soho, Irene Master, Susan Maloney, Barbara Biggar, Gloria Veach, Sue Jaxon, DeWayne Harrison, Robert Jenkins and Igor de Kausky will show paintings.

Exhibitions for the Art Fair will be in: painting, sculpture, prints, ceramics, drawings, jewelry, weaving and creative stitchery.

Demonstrations which will show: wheel thrown pottery, weaving, Raku Kiln firings, metal ork and print making.

Newest attraction to the Art Fair this year will be the sidewalk cafe. Tables and chairs will be set up by the refreshment booth, so the patrons may relax, visit, meet friends and plan their day at the Fair.

Easels will be provided so children may try their talents and techniques at painting.

"Tin Lizzie Stompers" a talented little Dixieland Band from Sierra Madre will entertain at the festivities.

Hats and banners will become the center of attention when the children entertain with a "Hats and Banners" Parade. Later their finery will be on exhibit at the Fair Mall.

The ladies who are heading this years Art Fair are: co-chairman, Mrs. Shirley Cullen; co-chairman, Mrs. Ellen Fergus; corresponding secretary, Mrs. Joan Hill; corresponding secretary, Mrs. Tensie Benson; treasurer, Mrs. Donna Rowe and publicity, Miss Mary Broom. They are looking forward to a very successful Art Fair and with the numerous, qualified artists that have been replying, it's success seems to be a certainty.

William, Lois and Sabri Rife of 231 Vista Circle Drive have been Sierra Madreans for a year now and they love our town more than ever. They hope to take a more active part in the development of our artistic atmosphere. In fact, Lois tells me she is extremely interested in expanding their Pasadena party shop in our neighborhood.

FOREMEN: All foremen not herein separately classified shall be paid not less than 25 cents per hour more than the hourly rate of the highest classification over which they have supervision.

APPRENTICES: May be employed in conformity with Section 1777.5 of the Labor Code.

The general prevailing rates for overtime work in said locality for each craft or type of workman needed to execute said contract are determined to be as follows:

CARPENTERS: Double time for all overtime.

CEMENT MASONS: Time and one-half for the first three hours after the regularly constituted straight time shift, and all other overtime shall be double time.

LABORERS: Time and one-half except Sundays and holidays which are double time.

OPERATING ENGINEERS: Time and one-half for the first three hours outside regularly constitued shift; all additional overtime shall be double time; Saturdays — first eleven hours at time and one-half and any additional time at double time; quadruple time for New Year's Day, Decoration Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day, and the first Saturday following the first Friday in June and December; double time for Veterans' Day.

TEAMSTERS: Time and one-half except Sundays and holidays which are double time.

ALL OTHER CRAFTS AND TYPES OF WORKMEN: Not less than one and one-half times the said prevailing hourly rate of wage.

Except as otherwise provided herein, said rates are determined to be the general prevailing rates for working time on Sundays and the following seven legal holidays, to wit: New Year's Day, Decoration Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day and Christmas Day. If any of the above holidays occur on Sunday, the Monday next succeeding shall be considered a legal holiday.

It shall be mandatory upon the contractor to whom the contract is awarded and any subcontractor under him to pay not less than the said specified prevailing rate of wages to all workmen employed by them in the execution of the contract.

Each proposal or bid shall be made upon a bid form to be obtained at the office of the City Clerk, City Hall, Sierra Madre, California, or the office of Kenneth I. Mullen, 1045 W. Huntington Drive, Arcadia, California 91007, and must be accompanied by a certified check payable to said city for an amount which shall not be less than ten per cent (10%) of the aggregate of the proposal or bid, or by a bond for that amount and so payable as provided by the Improvement Act of 1911. Said check or bond shall be used as provided in Section 5246 of said Streets and Highways Code.

The proposals or bids shall be sealed and delivered to and filed with said City Clerk in said city not later than 10:00 o'clock A.M., on the 8th day of June, 1967. At that time the City Administrator shall proceed to publicly open, examine and declare all bids, after which all of said bids shall be referred to the City Council. Said City Council shall consider all bids at its meeting at 8:00 o'clock P.M. on the 13th day of June, 1967, and shall at that time award a contract to the lowest responsible bidder. The successful bidder will be required to furnish a labor and material bond and a faithful performance bond, as required by law.

Plans and specifications are available for examination in the office of said City Clerk in the City Hall in said city. Extra copies of said plans and specifications may be obtained at the same location for $10, refundable upon return of plans and specifications within 30 days following award of contract.

Legal opinions of O'Melveny & Myers, attorneys, Los Angeles, California, upon the proceedings, the contract, warrant, assessment, diagram and roll, and the bonds to be issued in these proceedings will be furnished to the successful bidder at the expense of said city.

The City Council of said city reserves the right to reject any and all bids and, to the extent permitted by law, to waive any irregularity in any bid.

GIVEN by order of the City Council of the City of Sierra Madre, this 15th day of May, 1967.

FOREMEN: All foremen not herein separately classified shall be paid not less than 25 cents per hour more than the hourly rate of the highest classification over which they have supervision.

APPRENTICES: May be employed in conformity with Section 1777.5 of the Labor Code.

The general prevailing rates for overtime work in said locality for each craft or type of workman needed to execute said contract are determined to be as follows:

CARPENTERS: Double time for all overtime.

CEMENT MASONS: Time and one-half for the first three hours after the regularly constituted straight time shift, and all other overtime shall be double time.

LABORERS: Time and one-half except Sundays and holidays which are double time.

OPERATING ENGINEERS: Time and one-half for the first three hours outside regularly constituted shift; all additional overtime shall be double time; Saturdays — first eleven hours at time and one-half and any additional time at double time; quadruple time for New Year's Day, Decoration Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day, and the first Saturday following the first Friday in June and December; double time for Veterans' Day.

TEAMSTERS: Time and one-half except Sundays and holidays which are double time.

ALL OTHER CRAFTS AND TYPES OF WORKMEN: Not less than one and one-half times the said pervailing hourly rate of wage.

Except as otherwise provided herein, said rates are determined to be the general prevailing rates for working time on Sundays and the following seven legal holidays, to wit: New Year's Day, Decoration Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day and Christmas Day. If any of the above holidays occur on Sunday, the Monday next succeeding shall be considered a legal holiday.

It shall be mandatory upon the contractor to whom the contract is awarded and any subcontractor under him to pay not less than the said specified prevailing rate of wages to all workmen employed by them in the execution of the contract.

Each proposal or bid shall be made out upon a bid form to be obtained at the office of said City Clerk or the office of Kenneth I. Mullen, Consulting Civil Engineer, 1045 W. Huntington Drive, Aracdia, California 91007 and must be accompanied by a certified check payable to said city for an amount which shall not be less than ten per cent (10%) of the aggregate of the proposal or bid, or by a bond for that amount and so payable as provided by the Improvement Act of 1911. Said check or bond shall be used as provided in Section 5246 of said Streets and Highways Code.

The proposals or bids shall be sealed and delivered to and filed with said City Clerk in said city not later than 10:00 o'clock A.M., on the 8th day of June, 1967. At that time the City Administrator shall proceed to publicly open, examine and declare all bids, after which all of said bids shall be referred to the City Council. Said City Council shall consider all bids at its meeting at 8:00 o'clock P.M. on the 13th day of June, 1967, and shall at that time award a contract to the lowest responsible bidder. The successful bidder will be required to furnish a labor and material bond and a faithful performance bond, as required by law.

Plans and specifications are available for examination in the office of said City Clerk in the City Hall in said city. Extra copies of said plans and specifications may be obtained at the same location for $10, refundable upon return of plans and specifications within 30 days following award of contract.

Legal opinions of O'Melveny & Myers, Attorneys, Los Angeles, California, upon the proceedings, the contract, warrant, assessment, diagram and roll, and the bonds to be issued in these proceedings will be furnished to the successful bidder at the expense of said city.

The City Council of said city reserves the right to reject any and all bids and, to the extent permitted by law, to waive any irregularity in any bid.

GIVEN by order of the City Council of the City of Sierra Madre, this 15th day of May, 1967.

CITY OF SIERRA MADRE, CALIFORNIA
NOTICE INVITING BIDS FOR SUPPLEMENTARY STORM DRAIN PROJECTS (FLORAL DEBRIS BASIN RECONSTRUCTION)

Sealed proposals will be received at the office of the City Clerk, City Hall, 55 West Sierra Madre Boulevard, Sierra Madre, California, until 10:00 a.m., on June 8, 1967, for Item No. 2 only of Supplementary Storm Drain Projects. The work includes furnishing all materials, labor, and equipment for the construction of improvements to the Floral Debris Basin. The work is located within the City of Sierra Madre. All work must be completed within 60 calendar days after execution of the contract by the City.

The proposals will be publicly opened and read in the Council Chambers of said City on the date and at the time above mentioned. Plans and specifications and all contract documents may be obtained at the Sierra Madre City Hall upon payment of a deposit of $10 for each set of specifications and accompanying drawings. Said deposit will be refunded upon return of the specifications and drawings in good condition within 30 days after the proposals are opened. The specification is entitled "SPECIFICATIONS FOR SUPPLEMENTARY STORM DRAIN PROJECTS."

Each proposal must be accompanied by a certified or cashier's check or bid bond in the amount of ten per cent of the estimated aggregate amount of the bid as a guarantee that the bidder, if an award is made to him in accordance with the terms of his proposal, will promptly execute a contract in the required form, secure payment of workmen's compensation insurance, and furnish a satisfactory faithful performance bond and a labor and material bond. Each of said bonds shall be in the sum of not less than fifty per cent of the estimated aggregate amount of the payments to be made under the contract, computed on the basis of the price stated in the proposal. In addition to the above and if requested by the city, the bidder shall furnish a financial statement of recent date. Failure to comply with this requirement will render a bid informal and shall be sufficient cause for rejection.

Inspection of the site will be held at 9:00 a.m., June 1, 1967. Interested persons should meet at the site. All bids received will be reviewed and presented to the City Council on June 13, 1967. All bids shall be sealed and clearly marked on the outside "BID — FLORAL DEBRIS BASIN."

Notice is hereby given bidders that in accordance with the provisions of Section 1770 of the Labor Code, the City Council of the City of Sierra Madre has ascertained the prevailing rate of the per diem wages for each craft or type of workman or mechanic needed to execute the contract which will be awarded the successful bidder. and Brad Houser, two candidates running for the school board. They said they plan to spent 11 to 12 per cent of any bond issue money on the Sierra Madre School.

After a pro and con discussion about the proposed Teen Center, Lola Rudbach moved that the Chamber support it. Bill Sullivan seconded the motion, which was passed.

Meeting was adjourned at 9 a.m., with an announcement that the next meeting will be June 6.

American Legion

Delegates and alternates for the state convention to be held in San Diego June 25-28, were also elected. Those serving the unit will be delegates, president-elect Bertha Billings, Effie Pratt, and Thelma Proctor, with alternates Edna Faller, Orcelia Henderson and Amy Beisel.

Sixty-one hours of service to the community were reported by the chairman Edna Faller who also announced Friday and Saturday, May 25 and 26 as Poppy Days.

Twelve new flags for the veterans' graves at the Sierra Madre Cemetery were donated. Members will join with the VFW Auxiliary as usual, on Monday, May 29, at 2 o'clock for the purpose of decorating the 44 veterans' graves with flags, white crosses and bouquets, located at the local cemetery. Donations of flowers will be greatly appreciated.

Crown City Unit, Pasadena will serve their yearly fried chicken breakfast on Sunday, May 21.

Mrs. Frances Brain of Leisure World was a welcome guest.

The next meeting of the unit will be Thursday evening, May 24, when members will assemble the red poppies preparatory to the sale on May 25-26. Poppy chairman Edna Faller will be hostess.

Vietnam '67

Our young men are
fighting and dying on a
foreign battle field,
For the Rights of men of
Principles,
Having no desire to yield,
to an enemy
Without scruples, or a
Conscience — unrevealed.

History has no well
recorded,
How the Truth has
always been,
Bought with Blood —
with Blood most
precious,
On the Battle fields
of Sin.

Will the fight go on
Forever,
While the "Wrath of
Man shall last,"
With the Present still
recording,
All the victories of the
Past?

Shall our God who made
the Heavens,
And the Worlds beyond
the World,
Come at last to Mankind's
rescue,
With His Glorious Flag
unfurled?

When the Grave has lost
its Victory,
And Grim Death has lost
its sting,
He will come — Ten
Thousand Angels,
Make the Vaults of
Heaven ring . . .

For the Cause of Truth
and Justice,
Fully met on Calvarys'
Cross,
He dies — He Lives —
He reigns again,
Through having suffered
loss . . . .

Classes Start In Recreation

Recreation enrichment classes in music and drama, nature, recreational dance, physical development and recreation will be offered by the Pasadena Department of Recreation, starting Monday, June 19, 8:15 a.m. to 12:15 p.m. for six weeks. Classes are limited in size and a fee of $24.50 will be charged each child to help offset the cost of this special program. Parents must register in person for the Monday through Friday sessions at Recreation headquarters, 1501 E. Villa St., starting immediately.

A staff of experienced teachers has been employed to lead the activities and the youngsters may bring lunches and stay for supervised afternoon recreation programs. Elementary children, grades 1 through 5, as of the 1967 school year, are eligible for he enrichment classes.

Letters to the Editor

The death of Harlan Ware is deeply mourned by Sierra Madre, and his friendship and wit will long be remembered. His humor was gay and sparkling, but he was ardent about whatever he believed in, political or personal. Above all, he was sincere in his friendships. He was one of those rare souls one is fortunate to meet once in a lifetime.

Most probably he will be remembered for the comedy he found and called attention to in the ordinary incidents one could translate into drama in everyday life.

For example, the first time I met him, he asked how, with five children, I could get any kind of seclusion or privacy for writing. "The best I can do," he confider, "is to work in an abondoned chicken coop. As one of his stories was featured in the Saturday Evening Post that week, I thought I was hearing pretentiousness in reverse, but he was speaking truth.

A farmer who wished to go into chicken raising in a big way had had a coop built which would house 30,000 or more of them, but had found that road to wealth less flowery than he had been led to believe, and one big pen had never been used. Harlan had the vision to see that the unused coop could be converted into a commodious atelier in the corner of his deep lot in the Oaks division of Arcadia.

For many years, Harlan wrote the One Man's Family show for radio, and that show was reputed to be the favorite of more listeners than any others and the last time I saw Harlan his studio on the rear of his deep lot was the best-equipped and luxurious I ever saw. But it was because of his own warm humanity that most of the best people in Filmland honored Harlan Ware.

Supervisor Dorn Recommends Mass Meeting In Capital

Supervisor Warren Dorn's motion for a "mass meeting" of county supervisors throughout the state to fight for tax relief and legislation to solve the premption problem was unanimously supported by the Board of Supervisors.

Dorn noted that a recent similar meeting in Sacramento by supervisors resulted in favorable action by the legislature on the Medi-Cal Plan, which will save local taxpayers millions of dollars.

He said that as a vice president of the County Supervisors Association of California, he will work through the group to organize such a meeting "as soon as possible" in Sacramento.

"Let's Talk Dry Cleaning"

by Joseph Delgatto Sr.

We expect our clothing to become soiled from wearing, but we frequently overlook the fact that clothes are likely to collect soil while just hanging in the closet! Unless your home is hermetically sealed — and few are — tiny particles of dust are constantly floating through the air and eventually a certain amount is bound to settle on your hung-away garments.

Smoke from heating units and pipes or cigarettes also sends minute particles into the air and the sediment is deposited on clothing. Very often heat and air affect colors, leave them dull looking. If left for any length of time, all of these elements permeate the surface of the fabric and affect the delicate fibers.

To keep a garment looking its best, and insure the maximum length of wear, have it thoroughly and expertly cleaned before wearing if it has been handing away for a while. This will brighten the colors, remove the danger of deep-down soil weakening the fabric, and take out any "hidden dirt."

See us for efficient, economical cleaning. We stand behind all our work anl give every article you send us extra care at no extra cost. Remember . . . . the best dressed people in town send their clothing to us!

Free mothproofing on everything we clean.

Trophies For This Week

More than 3,000 rose blooms will compete for the 18 trophies, many prizes and hundreds of ribbons at the eighth annual free Mother's Day Rose Show May 13 and 14 in the Pageant of Roses Garden.

The two-day show is sponsored by Rose Hills Memorial Park in cooperation with nearly 200 American Rose Society members living in the Society's Pacific Southwest District.

John vanBarneveld, show chairman and A.R.S. District Director, has emphasized that there is no entry or admission fee, since the Rose Hills garden is an official A.R.S. garden.

"Thanks to the late spring rains, we anticipate a record number of outstanding entries," vanBarneveld said. "A.R.S. members will again be present to hely entrants identify their roses and place them in the right class."

Entries should be delivered to the garden between 7 and 10:30 a.m. Saturday. The show will be open to the public from 1 to 5 p.m. that day, and from 9 a.m. to 5 p.m. Sunday, Mother's Day.

In addition to the more than 100 cut rose classes, there will be a flower-arrangement competition with more than 100 entries, he said. As an added attraction, the thousands of roses of more than 450 varieties in the garden are at peak spring bloom.

Complete details regarding awards and classifications are given in a show schedule which may be obtained free of charge by telephoning or visiting Rose Hills.

The smallest flowering plant known, one of the duckweeds, is so tiny that it takes 4½ million plants to weigh a pound.

Are you paying for part-time auto insurance?

Ask Yourself These Questions:

- Are your liability limits high enough? Or, would an adverse court judgment use up all your insurance and wipe out your other assets, too?
- Who would you turn to if you had a crack-up 2,000 miles from home?
- And who would have to wrestle with all those reports, claim papers, police questionnaires, etc., etc., etc.? You?
- Do you have all the auto insurance you need? Do you have the right kinds?

Does your auto insurance pass this test? If not, you're paying for part-time protection. That means it's high time you insured under The Travelers umbrella. Call us today.

How to Raise Taxes Happily

It is welcome news to most taxpayers that the Johnson Administration proposal for a 6 per cent income tax raise is meeting renewed opposition from Congressional leaders who will have much to say about it. Representative Wilbur D. Mills, Arkansas Democrat who is chairman of the powerful House Ways and Means Committee, flatly rejects the use of short-term tax changes "to offset short term fluctuations" in the economy. Experience with the on-again-off-again investment credit, he said recently, showed that "taxes should not be raised and lowered from season to season like the hemlines of women's skirts."

Most of us will agree, wit the Congressman's simile suggests a means of making tax increases popular with at least a considerable portion of the paiyng public: officially link the levels of hemlines and levies so that as one gos, so goes the other. If taxes go up, whee! If hemlines go down, oh, well; a penny saved, you know.

Census Sooner?

The 1970 federal census—on which so much national and state planning will depend—is still three years off but already it has been declared obsolete.

This is the charge made by the youngest member of the House of Representatives, William J. Green, a Philadelphia Democrat. He cites some persuasive figures to support his claim that we should have nose counting not every ten years, but at least every five. For instance, one in every five Americans moves each year, whether just next door or from Maine to California. Statistically, that means that the average American has moved twice between decennial censuses. In addition, as we know so well in this state, the population is booming.

Representative Green knows he's up against Congressional opposition, the main argument being the cost. But he's young and optimistic, and while he has no illusions about the difficulties that face him, he's hopeful that by 1975 the values of more frequent count will have overcome the cost objections. And as they sometimes misquote Bulwer Lytton, "in the bright lexicon of youth, there is no such word as 'fail'."

Saving a Symbol

For many years, we have heard that the American Bald Eagle would very likely go the way of the extinct Dodo bird unless some means cound be found to protect it from the clamor and crowding of modern civilization. Most Americans want to see him remain a live emblem riding the skies as he always has and symbolizing in soaring flight and independence, the aspirations and character of our nation.

The difficulty has been that not enough is now known of the eagle's habits and requirements to permit a really effective job of protecting him. To help remedy this situation, a major timber company has made a $1,000 grant as a starter fund to be augmented from other sources to finance the study and protection of the American eagle. There will be aerial surveys of eagle nesting areas in tree-top and cliff-top locations. The fund also will assist bird counts and additional study of feeding and nesting habits.

The conservation practices of modern industry are broad indeed, extending not only to the grand problems of protecting our air, water and other natural resources, but in this instance to the preservation of an idea, a living symbol of the American heritage.

Rumor Mill Expensive Project

Rumors and distortions of facts have started wars, broken lives, bankrupt businesses and if the truth were known have probably led to the downfall of nations. One of the finest examples of what can happen to a worthy and much needed undertaking once the rumor mills begin grinding has been on display for a number of years in the state of New York.

There is a major power company which as a public utility is obligated to provide for the electric energy needs of some 9 million people was granted a license several years ago to construct what is known as a pumped-storage facility on the Hudson Rievr. The license was granted for the simple reason that studies showed the project was needed by an area and would in fact create additional recreational opportunities with a minimum impact on the scenic resources of the region. The project has so far been blocked by an amazing assortment of what the company calls unfounded charges, ranging from collapsing dams and fish destruction to the assertion that the project would create a desert through pollution.

The company has issued a sizeable booklet in an endeavor to answer these unfounded charges. Groups representing millions of people have gone on record in support of this proposed project, but this has not prevented the damage and delay that always ensues when the destructive forces of misinformation and rumor are unleashed.

Perhaps the project should be pushed ahead under the name of urban renewal. It is rumored that anyone who opposes urban renewal is against God and motherhood.

Taxpayers lost four more days of income in the past year, according to tax research experts, who calculate that "Tax Freedom Day" fell on May 5 this year, moving forward from May 1 the year before. Tax Freedom Day marks the time when each taxpayer's earnings finally have equalled his annual obligations to federal, state and local tax collectors and he can in theory begin to keep all his earnings for himself.

The Communist newspaper The Worker, published in New York on a twice-weekly basis, will become a daily soon, reports from "Old Left" circles indicate, as a result of a million dollar bequest for that purpose.

Part 3.

Rhodesia must try to produce a Constitution which will give confidence to the people — "I don't care who they are, what section they are." There must be created a climate of trust between the people, said Mr. Ian Smith on the eve of the appointment of a Rhodesian Constitutional Commission. Continues Mr. Smith: "If we can create this climate, to enable people to live together without fear, without suspicion, without thinking that the other man is going to take away from him what is his, then I think we are well under way."

Do these words reflect the diabolical thinking of a bigot, a racist, a hate-monger or an international trouble-maker? We had better not believe it. Unchallenged and factual evidence, completely withheld by our government, proves these words to be the verbal expressions of a wise but concerned leader whose determination to resist the paralytic domination of Britain and the destructive inroads of blood-sucking socialism is unsurpassed since our own Declaration of Independence in 1776!

Yet our government, with its unbending allegiance to the Communist-serving United Nations, along with its blind faith in our socialist-controlled State Department Policy, has turned its back on everything we once stood for in favor of joining the mad chase to destroy our kind of people!

Mr. Ian Smith asks us: "What madness is abroad in the world today? Who, in your Administration, steered the U.S. Government (and therefore you, the people of America) into supporting Britain's war of trade sanctions and embargoes against a friendly country committed to exactly the same struggle as you are?

"The Rhodesian story might well have been taken straight from the pages of your history. Consider . . .

"Your country was founded by brave men and women who sailed into the unknown to seek a new life in the then savage wilderness of America. Our country was founded in much the same way, except that our pioneer column came overland instead of across the sea. The Pilgrim Fathers braved the perils of the ocean; the Pioneer Column trekked a thousand miles and more through uncharted bush.

"Your forefathers landed on a hostile unknown shore. So too — even though they came overland — did ours. The Pilgrim Fathers opened up a wilderness, extended the writ of civilzation, established orderly government. So did our Pioneers.

"In each case a government thousands of miles away, convinced that it knew better than those on the spot, compounded mistake after mistake. Your Declaration of Independence was made in 1776. Ours happened in 1965. Two hundred years ago the rest of the world scoffed at those sturdy Americans flying in the face of mighty Britain . . . . Today, it is sad to see the United States going back on its own history and joining in the chorus of those who scoff at the Rhodesian stand. Sadder still, a nation with a history as proudly independent as yours, throws its weight into a campaign of vindictive economic sanctions.

"It would, I imagine, be hard to find any Americans who think they did the wrong thing in 1776. Today, in Rhodesia, all that has happened since November 11, 1965, convinces us more and more than we did the right thing, too."

Following the Proclamation of Rhodesian Independence, the Prime Minister gave an address to the people of Rhodesia. He concluded with the following words: "In the lives of most nations there comes a moment when a stand has to be mare for principle, whatever the consequences. This moment has come to Rhodesia. We Rhodesians have rejected the trinaire philosophy of appeasement and surrender. The decision which we have taken today is a refusal by Rhodesians to sell their birth-right, and, even if we were to surrender, does anyone believe that Rhodesia would be the last target of the Communists and the Afro-Asian bloc?

"We have struck a blow for the preservation of justice, civilization and Christianity, and in the spirit of this belief we have this day assumed our sovereign independence. — God bless you all."

Here is a bit of wonderment . . . "The average U. S. family will pay $3,300 in taxes (federal, state and local) in 1967." This is from the report of the Tax Foundation, Inc. . . . This will always be an unfathomable mystery to me.

Who in the world would think the Smiths have The Big Money?

California Federal would.

At this stage, those nice young Smiths don't have much more than each other. *And* a brand new California Federal savings account. Do we care that it has less than $100 in it? Not at all. We give them the same Big Money treatment we give our biggest savers. Friendly, concerned service. Unequalled savings management. Big yields on insured savings. And the $1.4 billion assets-strength of the nation's largest federal. Some people think we should just cater to big savers. We don't. We never forget we were small once, too.

5.25% current annual rate. Compounded daily. Nation's highest yield on insured savings.

Dividends paid quarterly. Funds received by 10th of any month earn from first of month. After the 10th, funds earn from date received. Funds in account 3 months earn to day withdrawn. Accounts insured to $15,000 by a permanent agency of the U.S. Government. Established in 1925. Federally chartered and supervised.

Rev. Harley Gibbs Smith, Rector of Church of the Ascension Retires

Reverend Harley Gibbs Smith, rector of the Church of the Ascension, Episcopal, Sierra Madre, will retire May 22.

Father Smith's retirement completes a long career of service to the Episcopal Church. A native of Cleveland, Ohio, Father Smith entered Nashotah Seminary following his graduation from Cornell University. Upon completion of his studies at the Seminary, he was ordained deacon and priest June 3, 1928. His first assignment, lasting nearly five years, was in Burlington, Wisconsin, at St. John's Church.

In 1932, Father Smith was called to become rector of the Church of the Intercession at Stevens Point, Wisconsin, Diocese of Fon du Lac, where he remained for six year. Then in his next call he became priest-in-charge of St. Agnes Church, Washington, D.C., staying there one year before being called to Christ Church, Ontario.

Father Smith was called in 1945 to be rector of the Church of the Ascension, his present office. During his rectorship, the Ascension Parish Day School was established. This elementary school, including kindergarten through eighth grade, has flourished under the able direction of the Episcopal sisters of the Community of Saint Mary. Father Smith is justly proud of this fine school.

In gratitude for his 22 years of devoted service, the Vestry and members of the parish are honoring Father Smith with a tea on Sunday, May 21, at 3:30 and a reception to which his many friends, both lay and members of the clergy, have been invited. Past members of the parish are coming from other cities and nearby states to attend the last solemn high mass which he will celebrate as rector at 10 a.m. on Sunday, May 21.

Santa Anita Lesson-Sermon

"You Are a Creative Being" will be the lesson-sermon of Mr. J. E. Wells, guest speaker at the 11 a.m. worship service May 21 at the Santa Anita Church, 226 W. Colorado Blvd., Arcadia. Mr. Wells, member of the church and president of the Board of Trustees, is a very popular speaker. The public is invited to worship with us. Child care is provided for your convenience.

Children from kindergarten through eighth grade worship with their parents in the sanctuary for the first 15 minutes of the worship service. After a sermonette especially for them, they go to their Junior Church graded classes for spiritual education. High school youths attend the Sunday morning service and have their evening meetings the first and third Sunday of the month at 7:30 p.m.

An Open House on May 16 at 7 p.m. in the Fellowship Hall will be held by the Santa Anita Church Day School for parents and friends. A program will be presented with each grade showing some phase of the Mae Garden Method of Reading and Comprehension. Following the program, guests are invited to visit the school rooms.

A public day school from kindergarten through eighth grade, the Santa Anita Church Day School meets the requirements of the Department of Education of the State of California, and is a Mae Garden school, teaching the noted Mae Garden Method of Learning and Comprehension. Enrollments are now being taken for the 1967-68 school year. Please call 466-8206 for further information.

raising taxes to bus Sierra Madre and Pasadena students to achieve ethnic balance in the elementary and junior high schools, stated James Yancey, chairman.

We have heard of people losing their shirts because they put too much on the cuff.

Faith Lutheran Observes May 21 As Youth Sunday

Youth Sunday will be observed on May 21 at Faith Lutheran Church, 845 Hastings Ranch Drive. In connection with the observance of the Festival of the Holy Trinity in the 10:30 Sunday worship hour, the Rev. Armin Hesse will speak on "The Faith for Youth." The service will also include a public reception of new members, and an induction into office of the newly-elected officers of the Walther League and the J-Y's (Junior Youth) groups.

The Walther League officers are the following: David Reed, president; David Harbur, vice president; Glenna Schroeder, secretary; Lee Pancoska, treasurer; Debra Fair, Christian Growth chairman; and John Heimbruch, sergeant-at-arms.

Mr. Donald Hingst, the church's minister of education and youth, announces that at 5 o'clock on Sunday afternoon, a young people-parent potluck supper will be served in the parish hall. All families of the congregation are invited to participate in this fellowship event. At 7 on Sunday evening in the sanctuary, the young people of the Walther League will present the chancel drama "A Time Between the Times," by Ruth Westheim and Calvin Storley.

Other parish activities next week include: Junior Choir, Explorer Scouts, and the Evangelism Board, all meeting on Tuesday evening at 7:30; the Midweek Bible Hour on Wednesday night at 7:30; and Senior Choir on Thursday evening at 8. The young people will complete final plans for the Zone Walther League spring rally which they will host on Sunday afternoon, May 28, from 2:30 to 7:30.

Christian Sermon 'Soul and Body'

"Soul and Body" is the subject of this week's lesson-sermon to be read in all Christian Science churches on Sunday.

The Golden Text is from Lamentations: "The Lord is good unto them that wait for him, to the soul that seeketh him. It is good that a man should both hope and quietly wait for the salvation of the Lord."

Gideon Society Program At Congregational

The 10 a.m. worship service at Sierra Madre Congregational Church on Sunday will feature a presentation by the Gideon Society. A member of the Gideons will explain their program of distributing copies of the Scriptures in hotels, motels, hospitals, prisons, schools and to members of the armed forces. Assisting in the service will be W. Glenn Wunderly, II and Milton Emerson, members of the board of deacons.

Beginning at 9:45 a.m. in Pritchard Hall there will be a "sing-a-long" for children and youth of all ages. This is to be a regularly weekly feature at Sierra Madre Congregational Church under the direction of Mr. and Mrs. Milton Emerson who will be assisted by members of the Pilgrim Fellowship.

On Friday and Saturday, May 19 and 20, the annual Spring Rummage sponsored by the Women's Fellowship will be taking place at the church. It is hoped that all persons visiting the Art Fair in the park will cross the street to the Congregational Church to see what bargains they can find, or to purchase some of the home baked goods that will also be featured.

Boy Scout Troop Begin Their Last Paper Drive

Saturday, May 20, Boy Scouts of Troop 381, sponsored by the Sierra Madre PTA, will unload cars and station wagons at the Sierra Mesa School parking lot, 160 N. Canon, from 8 a.m. to 12 noon.

This will be the last paper drive before school vacation begins, so please bundle your papers and bring them to the school. If no string is available, Scouts will do it for you at the school. Telephone books also are acceptable if you tear off the front and back covers.

Additional information may be obtained by calling Mr. Lloyd Brown, 355-3866.

A contribution to Scouting is tax deductible—don't throw it away.

SPORTS AS Hank Ives SEES IT

ODDS AND ENDS AROUND THE SPORTS BEAT . . . .

TV FARE FOR THE COMING WEEKEND . . . The Preakness at Pimlico with Damascus a likely winner. Forget Proud Clarion . . . . Seven furlong Los Angeles Handicap at Hollypark, and Old Hankus likes Native Diver. The distance is made to order . . . . Wide World of Sports features the Grand Prix of Monaco . . . . The Yankees tangle with Detroit . . . The AAWU championships at Eugene and there is no reason UCLA's Bruins can't cop the conference title.

CITRUS COLLEGE won their first baseball title since 1958 with a pitching staff that had five hurlers boasting under 2.00 earned run averages. They were slated to face College of Desert Tuesday in the first round of the state playoffs and then go against (if they beat the Roadrunners) the winner of the Pasadena-San Diego tilt, on Saturday.

RUMOR DEPT. . . . Big Daddy O'Malley will expand the Dodger TV coverage to include some additional road games other than the nine Giant tiffs.

SANDY VANCE'S LAME FLIPPER responded nicely and the ex-Pasadenan fired a three hit - 11 strikeout victory over Washington last Saturday. The Indians by the way, look like sure AAWU winners.

ARCADIA'S CHRIS ARNOLD is clubbing the ball at a .319 clip for Fresno in the California League, but former South Pasadena ace, Tom Hutton, is having trouble getting untracked at Spokane with a sub-.200 average.

DON'T GIVE UP ON RUKEN . . . The California bred is ready for a big season at Hollypark . . . And didn't Bill Hartack once vow he would never ride again in California? . . . He's back at H.P. . . . Watch for Raul Cespedes, another jockey from Panama in the Braulio Baeza, Laffitt Pincay Jr. tradition, to have considerable riding success at the Inglewood track.

E IRANCHO'S RICK POPE, CIF player-of-the-year, is UCLA bound.

WHEN WILL IT HAPPEN DEPT.? . . . George Halas turn over the Chicago Bear coaching reins to a younger, energetic man, and concentrate on front office activities? . . . . Hankus wins a daily double at H.P.? . . . Lou Johnson gets back into action and the Dodgers start winning? . . . That Bobby Ussery, winner of the Kentucky Derby, gain some credit as one of the leading jockies in the nation?

BASEBALL VIEWS after five weeks of action . . . Both Cincinnati and Detroit are definitely for real but the White Sox are living on borrowed time . . . Five weeks ago eggsperts figured the Angels had some solid hitting but not much pitching. Look at 'em now, a complete reversal . . . . The Dodgers are in deep trouble with at least six teams showing more solid rosters . . . . Don't break into a sweat over the plight of the Orioles just yet. They will be in the chase when things get serious.

WHAT MIGHT HAVE BEEN . . . Last year the Reds offered Frank Robinson to the Angels for Dean Chance and Fred Newman. The Halos countered with one or the other, but not both, Robinson went to Baltimore and so did the world championship.

The Pasadena Chapter of the Fellowship of Christian Athletes will hold their second annual Awards banquet Saturday night at the Temple City First Baptist Church. Ducats are $2.50 each. Call Dan Towler, 221-9141 for information.

LOS ANGELES AND ANAHEIM MIGHT well have the two lousiest fielding left-fielders in baseball, Rick Reichardt and Bob Bailey.

Senior Citizens

ing completed the afternoon's program.

Tour chairman Minnete Ring announced many interesting tours which will be on the Senior Citizens' agenda. Among them: "The Viking Country, May 16; "Montreal Exposition," 15 days; "Continental Tour," August 29; "Yellowstone," June 20; "Picnic," Farnsworth Park; Play, "Modern Millie," May 16-23; Hearst Castle and San Francisco, 5 day; Senior Citizens Day, Olivera St., May 28.

Special rates on all of these trips, for details call Mrs. Ring at 447-0690. There will be no meeting next Saturday, May 20, as the Park House will be occupied by the Art Fair.

Saturday, May 27, the following birthdays will be honored: Maybelle Barker, Bernadyne Bent, Helen Bonn, Helen Hill, Pearl Patterson, and Effa Schegardus.

Members bid farewell to Mrs. Esther Koch who left Monday for Washingotn, D.C. to visit her son. She will be returning to Sierra Madre in the fall.

Spreading Basin

Public Works Superintendent Don Grigsby presented a report on the spreading basin and pointed out possible recommended methods for increasing percolation of the basins. Councilman Wagner suggested study of a pre-filtering system, which would cost approximately $60,000, as the best method to decrease water loss by inability of the present system to assimilate available supply.

The Park House has been declared an historical monument by the council at the request of the historical society and on the recommendation of the Parks and Recreation Commission.

The building was originally a winery and among one of the early buildings erected in Sierra Madre.

Because the Parks and Recreation Department does not have a director at the present time his salary has been accumulated in the Parks and Recreation account, and with the concurrence of the council will be used to provide paved parking in the Bailey Canyon Park. The cost, approximately $14,000.

Paving will also be provided at the intersection of Sierra Madre Blvd. and Mountain Trail but this will be paid for out of in-lieu gas tax funds at at cost of approximately $11,000.

At the recommendation of the City Engineer, Charles J. Haver was appointed engineer-of-works for Sewer Assessment District 91, Sierra Meadows Drive, and City Attorney Charles Martin was named as special legal counsel for the same district.

Council also authorized the engineering department and police department to set up a corner-clearence program for intersections within the city where the view is obstructed when entering an intersection. Property owners will be notified to clear their property to the required distance and if they fail to comply then city forces will move in to provide an unobstructed view insofar as possible and practical. It was indicated that a regular schedule will be set up for this purpose.

Council adjourned for a personnel session and returned to announce the appointment of Patricia Rey of Duarte as a policewoman-dispatcher to replace Shirley Groves who will leave the city to accept an appointment elsewhere.

Edwin Rose was appointed to the Ad Hoc Water Commitee to replace Perry Brown.

The following appointments were made: Councilman Wagner and Parks to Capital Improvement; Councilmen Sorensen and Maddox, personnel; Planning, Maddox; Parks, Wagner; Library, Sorensen; Parking and Fire, Parks; Representative to Sewer District, Sorensen; Water District, Sorensen; Upper San Gabriel Valley Water District, Wagner.

It was indicated that, insofar as possible study sessions will now be held following the regular Council meetings.

The next meeting of Council will be May 23 at 8 p.m.

PTA To Install Officers At Tues., May 22 Meeting

Sierra Madre PTA's final association meeting of the school year will be held Monday, May 22, 7:30 p.m. at the Sierra Mesa School cafetorium. Co-presidents Mr. and Mrs. James Abernethy invite all to attend as this will be an important meeting of special interest to the community.

Last March a committee was formed of 14 interested citizens who were seeking answers and information concerning our present school problems and the bond election. With Mr. James Mize serving as chairman, the group has spent a great deal of time and effort to search out facts for a better understanding and for wise and intelligent answers to the many questions that have been asked.

Mr. Mize will present the information that this committee has gathered. Although the group was originally formed at the March PTA meeting anyone interested has joined in this study so that the report can be presented in an impartial way.

This meeting is also the time of installation of PTA officers for next year. Mrs. Claude H. Brown, Jr. (Elena) will be the installing officer. Mrs. Brown is a past president and a recipient of the Honorary Life membership.

To be installed are: presidents, Mr. and Mrs. Kai Molich, vice presidents, Mr. and Mrs. Delbert Comer, Mr. and Msr. Walter Zaiss, Mr. and Mrs. William Udell, Mr. and Mrs. James Abernethy, Mr. and Mrs. James Englert, Mr. and Mrs. Leonard Popp and Mr. and Mrs. Robert Hansen, treasurer, Mr. and Mrs. Douglas Tucker, recording secretaries, Mr. and Mrs. Earl Lindberg, corresponding secretaries, Mr. and Mrs. Ashley Buchan, auditor, Mr. Robert Hunsicker and historian, Mr. Bertram Singer.

Mrs. Joyce Hegeman, this year's historian and fifth grade teacher at Sierra Madre School will give the historian's report, which will aagin be an unusual and entertaining presentation.

Music will be provided by students from Sierra Mesa and Sierra Madre schools. Due to the students' part in the program the time of the meeting, please note, is a half hour earlier at 7:30.

Kindergarten parents and teachers will hostess the meeting and serve the refreshments.

FROM THE

Fire Side

It's one thing to be anxious but who was the fireman that answered the noon whistle the other week with a fast trip to the fire house?

Some of the firemen run to the fire house when the radio signal goes off, some drive their cars there but Mike Tyler almost used a new method — swimming — at least part of the way. He was up visiting in Ron Hall's apartment when the signal went off and Ron says Mike hit only two of the 13 steps and some how managed to miss the pool. The only thing Ron can figure is that Mike ricocheted off the door fame and missed the pool by inches.

It looked like Doug Tucker was going to get run in for indecent exposure at the fire last week. With his turn-out coat on all you could see was bare legs, but later it was found out he was wearing Bermuda shorts under his coat.

One thing for sure, with a volunteer fire company you get to see a weird assortment of clothes at a fire. The men turn out in everything from pajamas to Bermudas.

Volunteer Bureau Annual Drop-In Luncheon May 10

More than 200 guests attended the Annual Drop-In Luncheon, Wednesday, May 10, given by the members of the board of the Volunteer Bureau of Pasadena, at the Altadena home of Mrs. William Stewart Clark. This luncheon honored the presidents of the boards and the executive directors of the many agencies served by the Volunteer Bureau.

Guests were greeted by Mrs. Claude H. Brown, Jr., president, and Mrs. Donald Hahn, executive director of the Volunteer Bureau. Among those pouring were Mrs. A. William Craig, Jr., Mrs. A. Putnam Storrs, Jr., Mrs. Paul Barnhart, Mrs. Daniel Esterly, Mrs. Harold Gertmenian, Mrs. Robert Langdon, Mrs. Howard Owen and Mrs. Ted Spence.

Arrangements for the luncheon were made by Mrs. Clark and her co-chairman, Mrs. Byron Wentz, assisted by Mrs. John Atwill, Jr., Mrs. Gordon R. Ewig, Mrs. John Kenyon Collins, Mrs. George Feichtmann, Mrs. Alfred Hartley, Mrs. George Holmes, Mrs. Ernest Messner, Mrs. John M. Podlech, Mrs. Robert Robertson, Mrs. Phil Roulac, Mrs. Kenneth J. Simpson, Mrs. Willis Stork and Mrs. Harold Zanzot.

Los Amigos Hospital Given Gift By De Brabant Estate

Supervisor Frank G. Bonelli, chairman of the Los Angeles County Board of Supervisors, announced that he asked the Board of Supervisors to accept a $265,000 cash gift under the terms of the will and estate of Marius De Brabant naming Rancho Los Amigos Hospital as the recipient of one-third of the estate.

The funds will be used by the County Director of Hospitals in the development of a stroke center for the care and treatment of elderly patients at Rancho Los Amigos suffering from stroke and in providing the facility for the improvement of the knowledge of the disease, its related disabilities and in development of new treatment techniques.

"Director of Hospitals William A. Barr indicates the top priority of Rancho Los Amigos is the need for such a stroke center and that the cash gift from the Marius De Brabant estate could well provide the start toward development of such a County facility at Rancho Los Amigos."

Other beneficiaries sharing equally in the estate are the Regents of the University of California and the Children's Hospital Society of Los Angeles.

In addition to the cash gift the County will receive a one-third interest in a parcel of unimproved real estate consisting of 1020 acres of desert land located in the Parawan Valley, Cedar City, Iron County, Utah.

Supervisor Bonelli noted that the exact amount of the cash gift to the County will depend on interest earned, closing costs and related estate costs.

Pasa Mills Club Elected Officers For 1967-68 Year

Pasadena Mills Club members, at their spring luncheon recently held at the La Canada Country Club, elected officers for the 1967-68 club year.

President, Mrs. Don R. Sanson, Glendale; first vice president, Mrs. Carl G. Petersen, San Marino; second vice president, Mrs. William R. Davis, San Marino; third vice president, Mrs. Chester M. Leflang, Altadena; corresponding secretary, Mrs. Thomas Dodington, Montrose; recording secretary, Mrs. Peter M. Anderson, Pasadena; treasurer, Mrs. J. Ellis Dion, Pasadena; preview co-ordinator, Mrs. James R. Merritt, Temple City; Thrift Shop coordinator, Mrs. Gerald Frey, Altadena; nominating committee, Mrs. Harry Lass, Altadena, and Mrs. Lannes Sharman, Pasadena.

Mrs. Smith Guithues, South Pasadena, president of the branch for the past two years, introduced Mrs. Bruce Belt, Hollywood, Southern California member of the Mills Alumnae Association Board of Governors.

Announcement was made of the selection of Dr. Robert J. Wert, professor of higher education at Stanford University to serve as the ninth president of Mills College following the retirement this summer of Dr. C. Easton Rothwell.

The Pasadena Mills Club actively supports the college in the fields of student referral, public relations and finance. The annual Christmas Preview, held in November at the Shakespeare Club, Pasadena, is a major fund-raising effort for scholarship rewards for San Gabriel Valley girls attending Mills.

Sandra Brubaker Sorority Choice

Sandra Lynne Brubaker, daughter of Dr. and Mrs. Wilson M. Brubaker, was one of 21 freshmen women initiated into Alpha Lambda Delta, the National Freshman Women's Honorary chapter at the University of the Pacific. Sandra is a music major. She was a 1966 Gold Seal graduate of Arcadia High and entered UOP with honors.

Her parents, and Mr. and Mrs. Loren K. Brubaker and baby Gary drove to Stockton for the May 6-7 Parents' Day and Initiation.

Mother-Daughter Tea For Rainbow Girls Assembly

A mother and daughter tea was held in Arcadia, by the Arcadia Assembly No. 131, International Order of Rainbow for Girls, Sunday, May 7. Mothers and guests were entertained with songs by Alice Billman, Sherrie Cubba, Vicki Betts and Susan Thomas. Accompanying them on the guitar was Miss Rita Hasenstab.

A modern dance number was done by Cheryl Morago much to the delight and enjoyment of everyone present. Martha Tidwell, Nancy Cannon, Cindi Hoffman, Nina Waynick, Alice Billman and Sherrie Cubba presented several skits to everyone's amusement.

Hostesses for the tea were: Miss Dani Dixon, Worthy Advisor Mrs. Donald Dixon, Mrs. Bernice Robidart, Mrs. Leroy Tidwell, Mrs. John Hoffman, Mrs. R. A. Cannon, and Mrs. C. R. Billman. Present also Mrs. Vinita Howard, Mother Advisor for the Arcadia Assembly. Members of the Advisory Board at the tea were: Mr. Lawrence Britton, Mrs. Goles Wyre, Mr. Joseph Thomas, and Mr. William Sharing.

Authority Speaks On James Thurber

The Pomona Women's Campus Club of Claremont, at its final regular meeting of the year, May 11, enjoyed hearing Charles Holmes speak on James Thurber. Mr. Holmes, professor of the English Department is a graduate of Oberlin and Princeton, and is writing a book on Mr. Thurber.

Pomona Women's Campus Club president, Mrs. Paul Cate of Altadena, presided at a brief business meeting, the last of her term of office.

Local Couple Off To Hawaii

Rainbow Assembly Sponsor Buffet Fashion Show

"It's a Small World" will be the theme of the International Buffet and Fashion Show sponsored by the Arcadia Rainbow Assembly No. 131, to be held Friday, May 19, at the Masonic Temple in Arcadia from 7 to 9 p.m.

The Mother's Club, under the chairmanship of Mrs. Angela J. Cubba and her daughter Sherrie, are combining their talents to make this a most successful and enjoyable affair.

Many delectable and foreign dishes and salads will be featured with meat entrees such as roast beef, ham, Swedish meat balls and fish. These will be cooked and provided by the Mother's Club and through the courtesy of the Bahama Inn in Pasadena.

The buffet is one of the semi-annual projects sponsored by Rainbow for Girls, Arcadia Assembly. All proceeds are used by the Assembly to maintain their service and charity projects, as well as fun activities.

Tickets for the International Buffet and Fashion Show are now available. They may be reserved by calling Mrs. Cubba or Sherrie Cubba at 445-1372. Ticket contribution is $1.75. The entire family is cordially invited.

Tri Deltas Hold Wine Tasting Benefit May 21

The annual scholarship benefit of the Arcadia Tri Deltas will be full of fun and surprises for the alumnae and their husbands. Members and guests will meet on Sunday, May 21, at the Brookside Wine Cellar on Colorado Blvd. in Pasadena.

At 6 o'clock they may explore the Retail Sales Cellar and Tasting Room No. 8. The hosts at the cellar, Marion and Angie Danisch will give a wine presentation at 6:30.

The committee says: "You won't want to miss this interesting discussion in connection with the usage of the various wines. After you've learned all about wines you'll be invited to the tasting bar to enjoy the rest of the evening."

Funds raised at the benefit will support Tri Delta's National Philanthropy of college scholarship assistance to needy outstanding women of the 110 college campuses where Tri Delta Chapters exist. Funds raised locally are partially matched by national funds.

All alumnae of Delta Delta Delta are invited to attend with their guests. Information concerning the wine benefit may be obtained from Mrs. Ed O'Brien, 441-1229, of San Marino.

V.I.P. Travel

By Margaret A. Ferguson
Sierra Madre News Travel Editor

A few years ago we rented a car and motored through the rural parts of England . . . north to south, east to west. And one of the most delightful aspects of the whole trip was decoding the King's English. Although the letters of the alphabet are the same, the two countries simply don't speak the same language . . . in other words, when you're over there, there's a language barrier.

The first thing, of course, is to remember that they drive on the "wrong"? side of the road. I took my practice run in a meadow which the owner kindly turned over to me, thinking, I imagine, that the lives of his country-men were more important in the long run than those of his sheep and cows. After we had sacrificed (or least frightened to death) an impressive number of animals, I received the go-ahead . . . anything to get the chickens to start laying again!

The next important step, as long as I was going to be among the natives for the next two weeks, was to master their language, and below is a sample of what I introduced into my own British-American dictionary.

The first word is theirs and the second our translation —

Crisps, French fries; chips, potato chips; sweet, desert; face flannel, wash cloth; hire purchase, installment buying; subway, underpass; tube, subway; chemist, drug store; public school, private school, and ninepins, tenpins.

Imagine, for a monent, that you forgot the English drive on the left side of the road and you've had a slight accident. The English would explain it this way: Motorist: Pardon me, sir, I was cruising in my roadsters in the vicinity of the roundabout when this caravan, obscured by a hoarding, pulled in front of me. The collision put a dent in the wing and left tyre is flat. The tools are in the boot. While you're about it, Old chap, you might polish the windscreen and repair the silencer. And if you would be so kind, indeed, have a look under the bonnet.

Translated: Motorist: Hey, Mac, I was driving my car near the intersection when this trailer, hidden by a billboard, pulled in front of me. The crash totaled my fender and the left front tire has had it. The jack is in the trunk. While you're at it, would you clean the windshield and fix the muffler. Take a look under the hood, too . . . It's as easy to take the train!!

Time is about the only thing that doesn't fly, when you try to kill it.

Vocational Nurse Training Classes Seek Applicants

Training for 30 women as Licensed Vocational Nurses under the Manpower Development Training Act has been requested by J. Quentin Mason, executive director of the Pasadena Commission on Human Need and Opportunity, according to E. A. Wright, manager of the Pasadena Office of the Department of Employment.

Although final funding is pending, the Department of Employment in conjunction with the Pasadena Commission on Human Need and Opportunity will begin recruiting for the class immediately, Wright said. Selection will be limited primarily to women who have completed teneth-grade education and meet the definition of disadvantaged. A general definition of disadvantaged is "those persons or groups of persons who are so diadvantaged in the labor market that they are, or are likely to become, chronically unemployed or underemployed," Wright explained.

Training will consist of 12 weeks remedial education and 52 weeks of vocational training. Trainees may qualify for a weekly subsistence allowance under certain conditions, Wright added.

Interested applicants should apply at the Department of Employment office located at 1207 E. Green St. in Pasadena.

Tri Deltas Install New Officers For Arcadia Chapter

Mrs. Fenwick English of Arcadia will be installed as the new president of the Arcadia Area Alumnae of Delta Delta Delta, when the chapter meets on Tuesday evening, May 23, at 7:30. Mrs. English first joined Tri Delta during her college years at the University of Southern California, from which she graduated in 1960 with a Bachelor of Science degree in Dental Hygiene.

During her college years she served as chapter pledge trainer and president. She was active on the S.C. campus by belonging to Spurs, Chimes, Amazons and Mortar Board. The past year she has served as second vice president of the Arcadia Alumnae and has been in charge of membership. Recently, she represented the area as a delegate to the District XIII convention of Delta Delta Delta in Long Beach.

Mrs. English keeps busy as a dental hygienist and as pledge advisor for the S.C. Chapter. She has also served as social and rush advisor for the chapter. She is the mother of two youngsters: Erin and Eric. Her husband, Fen is the principal of Oak Avenue Intermediate School in Temple City.

Mrs. Jerry Asher, of Sierra Madre is Childrens Hospital Representative for the chapter.

One of the tragedies of human life is inability to transfer experiences. Each must gain own, and this takes time, money, energy, and leaves scars.

Catherine Spies To Girls State

Catherine Louise Spies, daughter of Mr. and Mrs. Richard L. Spies has been named delegate for the 1967 Girls State representing San Marino High School at the 24th annual session of California Girls State, sponsored by the American Legion Auxiliary, and to be held on the Davis campus of the University of California June 26-July 4.

Mrs. Orcelia Henderson is the unit chairman of Girls State. Five hundred and sixty girls, representing and equal number of high schools throughout the state have been enrolled for this challenging week of youth-in-government training.

Robin Louise Pearl, daughter of Mr. and Mrs. Jerry J. Pearl, has been selected as the alternate and will attend Girls State only if Catherine Louise is unable to attend.
